TRANSMITTAL SLIP		
4 October 54 (Date)		
TO: Colonel White		
BUILDING	ROOM NO.	
REMARKS: [REDACTED] requested the Supply Division, Logistics Office, to review its supply procedures and to make recommendations for their improvement. As the result of the review, the Supply Division has recommended changes in accountability, handling shipments, inventories, and warehousing, and have agreed to supply personnel to take the initial inventory. I will follow this matter to see that the recommendations are carried out and the new procedures are installed.
